## Frequently Asked Questions

## HD8000 SERIES:

### HEAVY DUTY DOOR CLOSER

**Q: What arms are offered for the BEST HD8000?**

**A:** The HD8000 is available in upwards of 30 unique arm options for virtually any application.

**Q: What is a typical application for the BEST HD8000?**

**A:** The HD8000 is ideal for high-traffic, heavy-duty institutional environments, such as schools or hospitals.

**Q: Do you have to specify handing when ordering the HD8000?**

**A:** The HD8000 is non-handed and can be applied regular or top jamb on both Right-hand and Left-hand doors for both push and pull side mounting.

**Q: In what finishes is the HD8000 available?**

**A:** The HD8000 comes in a variety of plated and painted finishes. Designer color matched or Custom color (RAL) finishes are also available.

**Q: What is the warranty on the HD8000?**

**A:** All BEST surface closers carry a 30-year limited warranty.

**Q: What is the spring power capability on the HD8000?**

**A:** The HD8016 is adjustable from Sizes 1-6. When adjusted to Size 1 (5 lb opening force), the HD8016 meets interior barrier-free ADA requirements. The HD8056 is adjustable to Sizes 5-6 and can meet PT4C requirements for +50% power over Size 6.

**Q: What covers are available for the HD8000?**

**A:** The HD8000 comes standard with a full plastic cover. A metal or lead-lined cover is available in a variety of painted and plated finishes. For applications requiring concealment of existing holes due to varying model replacement, an over-sized plastic cover is also optional.
