

LOCKLY®

SECURE PRO | Latch Smart Lock

WORLD'S MOST **ADVANCED** SMART LOCK.

Peek-Proof Digital Keypad

Patented PIN Genie® touchscreen prevents codes from being guessed by randomly shuffling PIN number locations.

Your Finger is Your Key

Lockly's 3D Biometric fingerprint sensor is unlike other optical readers that can often times be faked through images.

Send Offline Access Codes to people you trust

Issue Offline Access Codes™ that do not require users to download an app or have Wi-Fi or Internet connection to use.

Voice Assistant Control

Compatible with Alexa and Google Assistant, making your smart home complete.

Grant Access, even when you're not home

Remotely lock and unlock your door from anywhere using the Lockly® app.

Fits Both
Left/Right Swing Doors

Works With Secure
Link Wi-Fi Hub (Included)

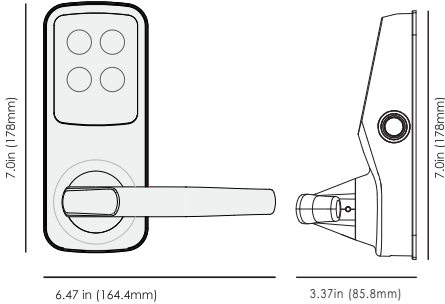

Security at your fingertips

"Lockly's latest offering brings something both familiar and unique to your front door that will keep you secure."

Security, redefined.

Plug-n-play network setup

Plug-n-play Secure Link Wi-Fi hub sets up easily using the free Lockly® app. Enables access, monitoring and control from anywhere.

Works with Lockly Access Portal™ for managing multiple properties
