

America's Most Trusted Door Hardware Distributor Since 1975

NOTICE: Several of our manufacturing partners have implemented price increases on their products. Please see a list of the brands implementing list price increases below. These price increases will supersede all other pricing and are due to a variety of factors, including a rise in the cost of raw materials. Price increases can be announced at any time. Should you have any questions, please contact your Top Notch Sales Representative.

**These percentages are averages across each brand at the series level and may be higher, lower or no increase for some products within those brands.*
