

A Full Service Provider of: Commercial Architectural Door Hardware | Residential Architectural Door Hardware | Electronic Access Control Products

WE ARE KEYING EXPERTS

OUR KEYING DEPARTMENT IS AVAILABLE AND HERE TO HELP

At Top Notch, we know keying. Our **Full Service Keying Department Teams** at each of our distribution centers rekey more than 300,000 cylinders every year.

- Rekey all cylinder types including LFIC, SFIC cores, and some high security cylinders
- Customized job packing and labeling
- Custom keying jobs delivered fast and accurate
- Cutting, duplicating, and stamping
- Re-key top brands: Schlage, Kwikset, Baldwin, Medeco, Yale, Sargent, Best, Von Duprin, etc.
- Maintain keying records on every job
- Basic keyed alike/groups, master keying, grand master keying, residential/commercial construction keying, commercial split key

We Are Top Notch - and so is our service!
