Door Hardware Made Easy

We Know Service

For more than 45 years, Top Notch has set the industry standard as a wholesale provider of architectural door hardware and accessories. As a family owned and operated company, one of our core values is to provide the best service to you, our customer. To do this, we have expanded our warehouse space, implemented state-of-the-art technology in our distribution centers, and increased inventory across our product portfolio - all to deliver your orders faster and more efficiently.
