Experience the Difference

Family owned and operated since 1975.

Top Notch Distributors is the leading supplier of architectural door hardware to dealers throughout the United States. Founded in Honesdale, Pennsylvania, Top Notch founders Chuck and Wanda Jurgensen focused on the "pursuit of excellence in service." Their focused commitment was to offer customers the best architectural hardware brands. They both knew by giving their employees the autonomy and authority to do whatever it takes to satisfy each and every customer's needs, it would create a customer experience second to none.

Today, with leadership including Chuck and Wanda's three children; Amy, Alyce and Erica, Top Notch Distributors is revered for their legendary customer service and has become the premier architectural door hardware wholesaler in the nation.
